GROOVY GREEKS

This week we had a real treat as we had our first Class Assembly since the Autumn Term 2019. Lumineers had the honour of starting these again and absolutely wowed us with a fantastic assembly about the Greek Gods as part of their current learning experience. They acted, sang and danced and taught us all about the Greek Gods and the things they have been learning this term. It was such a brilliant assembly and so lovely to have parents join us as well (despite the torrential rain on the way in!). It seems amazing that we were only able to let parents back in to celebration and other events in the last half term last year and so lovely to have all our lovely sharing events again.

On Wednesday we had another return to normality as we took last year's Legends on their special celebration trip to Wicksteed's Park to have a morning of play. Miss Priestley, Mrs Green and I all said what a joy it was to take them and a great time was had by all! Today we had the honour of presenting our first Legends of the year too and look forward to them continuing to be awesome role models in our school.

This week we have had two visits from the Police for us to find out more about what they do for our community. In Year 1 we had two Police Officers bring their police car and police dog to talk to Year 1 as part of their people who help us learning experience. The children absolutely loved the visit and had really great questions. On Wednesday we had our local PCSO Rob Brown come to speak to the whole school about safety on Halloween and Bonfire Night. If you are celebrating these events, we hope you have a great time but please do keep yourselves safe.

It is the time of year again where we are hosting our tours for prospective Reception children next September. We have been overwhelmed by the positive feedback, the number of bookings we have had already and so humbled by the number who tell us their friends have children in our school and how much they love it. Thank you so much, it really does mean so much to all of us here when we hear that. If you do know anyone looking for a Reception place next year and interested in joining our school, please encourage them to follow the information on the website under the 'Reception 2023' tab and book on a tour.

It really has been a fantastic first term at Hayfield Cross with so many wonderful things going on to inspire the children in their learning. Thank you for all of your support and I would also like to thank all of our staff who really do go above and beyond every single day to make the children's education here phenomenal. Have a fantastic half term break everyone, we will see you all again on Monday 7th November when term starts.

Craig Charteris
Head Teacher
